

North Shore Concert Band

Salem Willows Concerts 2019

David L. Benjamin, Director

Dear Concert Supporter,

We are seeking donations to support the 2019 North Shore Concert Band Salem Willows Summer Concert Series. The generosity of local businesses and individuals has played a big part in funding our free concerts since 1923. Our 2018 Series was a big hit with audiences and sponsors alike. This year our goal is to raise twelve thousand dollars to fund our six-concert series. Your financial support can ensure that our concerts will be fully funded. We need your help.

Our Tuesday evening concerts at the Salem Willows Robert Hayes Bandstand are held in a beautiful setting overlooking Salem harbor. These concerts are only funded in part by the City of Salem. Your financial support will insure a full season of wonderful musical evenings at Salem Willows. The cost of each concert is approximately \$1,500. We need your help to continue these "free" concerts. Our donor benefit levels appear below.

Benefits:

Full Concert Sponsor: 1,000. You or your company will be recognized in all of our publicity. Your company name and logo (where available) will be featured in all of our printed materials. You are also invited to have two banners (not to exceed 3'x8') hanging from the bandstand railings during the performance. You may also distribute promotional materials to the concert audience.

Concert Co-Sponsor: 500. All of the same benefits listed above, minus one banner, and you share the spotlight with your "partner".

Supporters: 100. - 499. You or your company name and logo will be listed in our program and your company will be listed in our donor list at the appropriate level.

Donors: 25. - 99. You or your company will be listed in our donor list at the appropriate level.

Thank you for your anticipated support and I look forward to seeing you at the concerts,

Gordon Bowman
